Do not walk away until you know just one thing...

Craigslist receives over 7 BILLION page views per month. An estimated 20 million dollars worth of private transactions are taking place between Craigslist users EVERY DAY.

This fact has not been lost on the public. Over the last year a flood of new marketers have flocked to Craigslist, all hoping to cash in on this booming market place. As a result, posting ads on Craigslist has gotten much harder. Without the backing of a community of professional Craigslist marketers, you will be left in the dark.
